May these few words
in part express
A sympathy that's deep and true...
And yet they cannot really tell
How much I truly grieve for you.
Nor show how much I
long to help -
How gladly I would do or say
Just anything I thought might bring
Some comfort to your heart today.

Dear Brother Ruby
Shedding in the precious name
of the Only One of Israel may
His grace & peace be Ours

multiplied unto you.

I shall be forever
grateful to the ~~San Francisco~~
for publishing a article that
depicted your true nature
this article states you were
reading your bible & found
comfort & sustaining grace
in this time of sorrow,
in this my heart was made
to rejoice.

God is our refuge &
strength a very present
help in trouble (see Psalm
forty six 1)

He is our only Pope He
alone can give peace &
quietness of spirit in times
like these, turn to Him
Brother Ruby with all your
heart & with all your soul
for He loves you, not that
He the High & Holy One
of Sion looks on sin
with any degree of toleration
but He & He alone can &
will forgive sin casting
them in the sea of forget-
fulness, never to remember
them again.

Brother Ruby just cast

yourself upon the tender
mercy of the Lord
conveys all to Him
to be. you have come to this
place, but continue to draw
nearer to Him.

God is the promise of the
Lord in Psalm 103, 10-11
He hath not dealt with us
after our sins nor rewarded
us according to our iniquities
for as the Heaven is high
above the earth so great are
His mercy toward them
that fear Him.

Remember that you were
called by the name of the Lord
that is, because I
want you to know me, you are
meeting with me, & not only are
we meeting, we are praying
for you, & presenting you here
before the great & righteous
Judge of all the earth & He
is righteous in mercy, see
Psalm 103, 8

Let me say in closing
you are not alone, many
care but the all
important thing is
Jesus knows & understands
& cares, & His grace is
sufficient.

God bless you & hide
you beneath His shelter-
ing wings.

Dear Mr. Rubenstein:

Shalom Alechem. Are you questioning if I am a Jewess or of Jewish descent? No, it is not my wish to trick you or mislead you in any matter as I must honestly say that I am not of Jewish descent. My only claim is a great love for all the people of Israel as well as my love of God. The explanation of myself is of very little importance for I am deeply concerned and interested in you.

It was during November 1963 my first concern for you arose when hearing your name. My husband and I discussed the very real possibility that you were probably Jewish and thus started the prayers for you. It makes absolutely no difference to me whether mankind finds you guilty or innocent of a specific sin. The issue is how the God of Israel finds you before Him. We must all come before our God in judgement one day and His answer, of course, will be determined by what we have done in our hearts with the Messiah before we meet Him in that final day.

Today when reading the newspaper it quoted you as saying, "I cannot magnify the great acquaintance I'm making with the Bible. One of the guards - with another fact - how so human and considerate." The article went on to say,

you had been sustained by an amateur Bible-reading course and the jail guard has been reading to you from the Old Testament. This is wonderful news and how thankful you also must be for the guard. Since you made this public statement I have now taken the liberty of writing to you. I wanted you to know there are those who pray for your soul because you are a Jew and sincerely want to encourage your continued Bible study. In Bible study we are all amateurs.

Providing you will be faithful in reading the scriptures, God will be faithful in revealing unto you His truths and His ways. Isaiah 48: 16 and 17 says, "Come ye near unto me, hear ye this; I have not spoken in secret from the beginning; from the time that it was, there am I: and now the Lord God, and his spirit, hath sent me. Thus saith the Lord, thy Redeemer, the Holy One of Israel; I am the Lord thy God which ~~teacheth~~ teacheth thee to profit, which leadeth thee by the way that thou shouldst go." And notice again Leviticus 17: 11 "For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul."

Throughout the Old Testament alone are prophecies and promises concerning the coming of the Messiah, the Redeemer - this is the meaning of Leviticus 17: 11 - the Messiah made, once for all, an atonement with the blood for our souls - Jew and Gentile. There is also much in the Old Testament concerning the penalty of God if we reject Him. I realize Jewish people think collectively or nationally more than individually, but I would implore you to search the scriptures for yourself,

repent to God - confessing your sins and accept the true
Messiah in your own heart. Isaiah 55: 6 and 7 says, "seek
ye the Lord while he may be found, call ye upon him
while he is near: let the wicked forsake his way, and
the unrighteous man his thoughts: and let him return unto
the Lord, and he (God) will have mercy upon him (you); and
to our God, for he will abundantly pardon" You have time
now so look up these following verses too, won't you? Jeremiah
29: 12 and 13, Lamentations 3: 38 to 41, Ezekiel 34: 11.

There are many, many scriptures I would like to share
with you, however, I am afraid if the letter is too lengthy you
will not read it. Remember God has something to say to each one
of us, He loves each one of us; it is not His desire that any of
us miss having eternal life. However, we all have sinned, Jew and
Gentile alike and therefore we need forgiveness of our transgressions
through His Son, our Messiah.

Since I care for you, the destination of your soul and
what becomes of the remainder of your life on earth, it is my
hope and prayer you receive my letter and the enclosed tracts
with an open, honest heart. I would consider it an honor
to write again if you have questions or perhaps we might
share with one another your Bible study. Please, do not take
any one persons word to be final and absolute in matters
concerning God. As a human being all I am able, or anyone
else is able to offer you is love, understanding and guidance in
the scriptures. You and you alone must make the final decision
with God. We who love the Jew are a small remnant in the
Church today standing in the gap for Israel.

Shalom Alechem - Peace to you

Mr. Jack Ruby: - you are on my mind today and want to try and help you. you surely got yourself in a peak of trouble, I saw on TV what you did and altho I had no sympathy for Lee Harvey Oswald I knew you were doing wrong. The Bible plainly tells that we must not take things into our own hands. We have courts to take care of such things.

Have you ever accepted the Lord Jesus as your personal Saviour. Believe on the Lord Jesus. Then shall be saved ask him to forgive you and He will and then you are one of his children and He will see you thru.

This life is short but the next life is everlasting and it is the one which counts.

God loved us (sinners that we are) so much he sent his only begotten son to die on the cross for us. But our part of the contract is that we must believe on him and ask to be forgiven and be his children. He forgave his murderers and asked his heavenly father to forgive them. Can we do less?

Just make sure you do not lose your soul as well as your life. Let God work it all out. He can & will if you only ask him.

If you need doctoring well and good, God can & will work it all out.

I am a 79 yr. old grandmother and have more time to think than I used to when raising my family. I have learned many things and looking for Jesus to come back for his bride. Hallelujah verse 4 This life is nothing but the life to come does count everything.

Get a New Testament & will read it carefully.

May God bless you & keep you in the center of his will. I will be praying daily for you.

In his precious name

Dear Jack,

Dustin Hoffman
Feb 26, 1968

I received your most
welcome and lovely letter and
many thanks.
He was here several days;
he left Monday morning to
go back to Chicago. I missed
a little from him. Today, the second
to be feeling pretty good. He has
put on a little weight since I
last saw him. I'm glad he has
quit smoking and drinking. The
reason now what a detriment
it was to him. I am amazed
that you don't drink or smoke;
that is good. I have never smoked
or taken a drink in my life.
I have four brothers, none of them
drink and only one smokes. Two
of them are in San Francisco. The
one there is a chiropractor.
I have excellent health, try to
eat right and take natural vitamins.
He said something about gratitude
& vitamins which you thought was
so good. Is it a natural and

what is the name of it
People don't know it but there
is a world of difference between
the natural and the one you get
at the drugstore that says synthetic.
Your body cannot use synthetics.

We have even been busy at
the flower shops with Valentine's
day plus many flowers etc.

My boss Mr. Paul Cook is
known nationally for his lectures
throughout the country. He has had
the show in charge at the
McCormick place and the Navy pier.

Jack my heart goes out to
you for what you are going
through. My prayers and thoughts
go with you daily and every
minute. There is nothing more
powerful I'll grant you. I
wonder really began to live until
I got lost first in everything
Every day when you begin the day
place your life in his hands.
Each time when you go to the court-
room ask him to direct your thoughts
so that the questions will be answered
correctly. You have no other law maker
it will help you think clearly before
you answer each question. I am sure.

you understand and can read
 however - for here why I am writing
 like this I am writing to you like
 a sister. Whatever you do don't let
 your moral get lower - it's
 hard to do. Remember if there
 for us who can be against us
 things will turn out much better
 than you think they will turn.
 Don't let your faith waver, may
 you meet each new day with
 courage and strength. you must
 doubt have died. For forgiveness
 which is so important to you
 the doorway.

The friends that forsake us in
 times of trouble were not stable
 friends to begin with. I have often
 heard it said if we acquire 3 or
 3 really good, true and trusted
 friends in a lifetime we have
 done well.

Give my love to Eva and Simon.
 Let me hear from you when
 you find time.

May God sustain you and go
 with you through every trial.

Very sincerely,

Dear Mrs. Ruby.

I sincerely hope that you
are enjoying the new host of health.
The friend of mine (Jewick)
that I told you went to Savannah
quite a lot. I saw her yesterday and
she knows Mr. Silvers real good and
is so sorry to have to tell you that
he passed away last year. He was
found dead on his bed at the hotel.
She told me that his sister married
a very wealthy man and Mr. Silvers
son had married and was divorced.

I'm so sorry to have to
write this kind of news to you at
this time but I promised you
that I would try to locate him.
For you and I would have found
him if I had to go there myself.

Mrs. Ruby I wanted to Judge
Joe B. Barrow & his attorney Henry Wade
begging them to search within their
hearts and they will find that you
are not guilty of anything that you

are a very kind and gentle man, and I
hope I haven't done wrong but I just
had to try and I will guarantee you
that I gave them a lot to think about
and I wanted to do just that.

You don't seem like a
stranger to me, it seems as though I've
known you all of my life and you are
a very dear friend of mine, and I
hope that you will always be.

You see Mrs. Guley I lost
my precious Mother (may her soul rest
in peace) not too very long ago and it
seems as though I'll never get over
it but I know that time will take
care of everything.

When you answered my
letter you made me very happy and
it was the nicest thing that happened
to me in a long, long time, so I'm
asking you to please write when you
feel like it as it gives me a great
big lift.

I wanted to write a letter
to the "Editor" in Dallas but I was
afraid I would be pushing too hard
but I will continue to work on
the Judge & his Attorney and you
can rest assured that I'll work
like I've never worked before and

He praying to dear God at the same
time hoping that I will do some
good. I'm a person that rises gives
up and I'll go down fighting, don't
get the impression that I'm a tough
person, because I'm just the opposite
but I've got a lot of determination and
I'll fight for the ones that are dear
to me - and I feel that way about
you because I think you're a
very nice gentleman and I know I'm
right in my opinion of you, you
just couldn't be anything else.

My place remembers
my invitation to come here when you
can and you can feel sure that
you are welcome in our home and
will be treated as a member of my
family. It would be quite a honor
to have you at any time.

Would you kindly give me
your sisters address, as I would
like to drop her a line and maybe
I can ease the tension a little but
really I would just like to write
her a few lines, if you think that
she wouldn't mind.

I'm going to close now

and please have faith in "God" and
yourself and hold your head up
proudly and look the whole world
in the face because everything
is going to work out fine.

Remember I will continue
to pray both day and night for you
and believe the one never prayed
so hard in all my life and I know
that my prayers will be answered.

Take good care of yourself
and please write when you find the
time.

May God be with you
and bless you every moment of
every day and this is straight
from the bottom of my heart!

Sincerely,
Love you -
Margaret.

you, my telephone No is Sheiwood

Mr. Jack Ruby:

Dear friend Mr. Ruby:

Thank you for your kind note in answer to my first letter.

Now that your trial has started I sincerely hope and wish you all the first class luck in the world for a speedy and complete acquittal and release. To my estimation you harmed

no one, broke no law of common sense to either God or man.

If you did the thing you are accused of, then I say you done all humanity a Great FAVOR. You exterminated off the face of this earth a Dirty Rat in Human Form. A Dirty Rat by its poisonous bite took the lives of two decent human beings and made an unsuccessful attempt to put the bite on two others. What was to stop him from biting again had opportunity arose. And believe me this opportunity has arose many times much to the regret of others.

I've served on juries before, once on the federal jury, and were I on your jury with ten others like me, you'd be released so damn quick it would make old Judge Groves head swim and Wade faint at the bar.

Again I say Good Luck and Best Wishes
to a great American Hero Mr. Jack Ruby.
may fate treat him kindly.

Dear Mr. Ruby

I have just finished
reading your story in our
local newspaper "The St. Louis Post
Dispatch", I enjoyed it very much.
Your story about how you worked
in Chicago Maxwell St., and other
places could not mean anything
to anyone who has not been to
Chicago, I have walked down
those same streets you wrote
about, as I was reading your I
picture you as a little boy
selling newspaper, and all the
other things you mention.
The way you worked out in the
cold, also brought to mind, about
when I was a kid, selling

(2)

papers in Zero or below,
rain or snow weather. I know
what you went thru. As I read
your reaction to the president
death I felt almost like you did,
~~and~~ ~~stumbled~~ stumbled to believe that in
our V. S.A. a man could kill
our president. I saw the same
T.V. program you watched,
the little boy standing by the
casket, and then a picture of
Barnard came on, he was just
a man getting his head off about
the row that he was getting. I
said at that time to my wife
he was lucky he wasn't being
lynched, like they would have
done 100 years ago. After

(3)

watching T.V. for almost 2 days,
I wanted to go for a drive, without
my radio on or anything about the
death of our friend. I just wanted
to be alone, as pictures I heard
Dawell had been shot, and they
were holding you for murdering
him. I said to myself as I do now
now why do they want to treat
you like that, a man who should
the world that the American
people can only take so much
and then we get fed up, and
they better watch out. In my
eyes you should be praised instead
of being treated like a murder, till
you did in what every good
American had on his mind

②

the only difference is you had
enough guts to do it, if they
try you for murder then every
American should be tried for
murder; caused every good American
felt the same way you did.

Mr. Ruby I have never met
you, but if you get out of this
I would like to become like
I said before you stay and mind
about our child had in almost the

same, the only difference is I am
only 21 years old. Do not
be afraid when you stand that
just feel that sort of America
and I am sure even the government
is praying you just become
all you did was kill a man

Dear Mr. Ruby:

I hope you don't mind my using the red part of my typewriter ribbon, but the black side is all used out, this is the best I can do, I felt that a typed letter would be better than a hand-written letter. My cousin Eddie Sterehi sent you a letter some weeks ago, I always wanted to write a letter to you, but I wasn't sure of the correct mailing address, so after he got a reply from you, I decided to write you. I know that you have lots of troubles on your mind at this time, so I'm not really expecting a reply letter from you. There must be hundreds of people that are wishing you the very best of luck to you in this case and I'm one of them along with my cousin. I have never been in jail and I hope that I never am, so I can't say what its like, but my cousin has and he knows what its like and he told you so in his letter. Once again, I want to wish you the very best in your fight against the shooting of Lee Harvey Oswald, we don't know how this case will turn out, but its always good to hope and pray for the best, so this will be all for now.

Yours truly,

Robert Jama

Robert Jama.

P.S. Everyone felt sorry when the late President Kennedy was shot in your good city and so did I. I've been to Texas once in my life and that was over two years ago. I went to San Antonio to see the Alamo, I've read many books and seen many (cont'd.)

(cont'd.) . . . movies about the history of Texas and the battle of the Alamo, I'm half Texan, one quarter American and one quarter of German origin all mixed-up into one. It sounds crazy, I know, but I don't think so, I hope that you don't. I like to think of myself as a Texan, when I get some money saved-up, I would want to make my home in Texas, San Antonio I hope. My greatest wish is to have my children to be born in the greatest state of them all, so I may as well end this letter now, good-luck and good-bye.

When the scene has played their last scene,
And the music has made his last tune,
When the film has faded to last scene,
And the members dissolved in last scene,
When the crowds and pleasure have been
And
And gone out in the darkness again—
When the Thunder of the Ages has ceased,
And we stand up before Him—what then?

When the light's all white and clear,
And the long-marching reformer stand still,
When the captain has given his last order,
And they've captured the last fire and hell,
And the flag has been hoisted in from the rear
And
And the wounded afield have climbed in,
And a world has waited in terror,
Is asked for a reason—what then?

How long will you, till the year ends, till the year ends,
Before we meet again, when the year ends, till the year ends,

D.A. Urges Court Quash State Law

The Calcasieu Parish district attorney is asking the Louisiana Supreme Court in New Orleans to set aside a state law so that he can comply with a U. S. Supreme Court ruling.

District Attorney Frank T. Sailer Jr. obtained a conviction against Wilbert Hudson, Negro, for the murder of a Lake Charles woman bank employee.

RIDEAU was convicted and sentenced to the electric chair April 27, 1961. His attorney appealed the case on the grounds that a Lake Charles television program broadcast a confession by Rideau and therefore made a fair trial impossible.

The U. S. Supreme Court ruled that due process of the law was denied because Rideau's jury should have been selected from a community of people outside the KMLC-TV broadcast range.

THAT REQUIREMENT would force the trial to be held several parishes away. The problem is that Louisiana law requires that any change of trial site (if venue) can only be to the next judicial district—where in Calcasieu's case would be outside the broadcast range.

Holding the U. S. court reversal, Sailer on Jan. 30 asked District Judge Cecil Carter to transfer the case to another parish. Judge Carter refused. Sailer then appealed to the state Supreme Court here.

He said today he is arguing that the state law should be set aside because it is intended to protect the rights of the defendant and the defendant's rights will best be satisfied by a trial transfer.

Dear Jack Ruby,

I don't know whether this letter will ever reach you or not, But I just had to write to let you know my family and myself are praying for you. The beloved President Kennedy's death was a terrible loss, it left all of us dazed, and only God knows what any of us would have done if we had come face to face with Oswald. It must be a long three months for you, but our prayers are for you every night, so have faith in God and everything will turn out for the best.

Very sincerely

Dear Mr. Ruby,

As I sit here sadly reading an article about Jackie Kennedy and how bravely and beautifully she bore her husband's death and think how tenderly and badly I love it, I thought of you.

When I heard that magnificent man was assassinated I was so overcome with disbelief and grief and anger that my only repeating thoughts were oh no God please no - Then I saw the picture on T.V. of that cocky, nothing of a human being and I thought - why doesn't someone kill him - who would not kiss a gardener - but then I wasn't thinking sanely.

I don't believe you've brought shame to Dallas. The shame was there long before - the spitting on the Johnsons, the assault on Odell Stenson, the hate articles in the papers & finally

the whole hate act of them all - so
you see the hate hate was there long ago.

I would rather you be true for the
assassination of a killer than to see
Oswald defended - that would really
destroy me. It would have been
just what the ego-maniac would
have wanted - to be in the limelight.
How he would have loved it & how
wonderful that he can't have it -

My thoughts are with you - for
you killed out of love not hate -
Mr. Bell is your best & will give
you his best. Take care

God is One and Eternal
 God alone is to be worshipped.
 God rules the world with wisdom, justice and love.
 God's will is revealed through the Torah, nature
 and human experience.
 Israel's prophets and sages have served humanity
 in accordance with God's will.
 Man is created in the image of God.
 Man's primary purpose is to follow the will of God.
 Man is in God's care in life and in death.
 All things everywhere are linked one.
 The well-being of each is bound up with the well
 being of all.
 Each must give to his fellowman cooperation, un-
 derstanding and mercy.
 Everyone must aid in building a human society
 based upon truth, kindness and justice.

Judaism is an ancient religion but it is not
 a static religion. Jews are not governed by a set
 of fixed dogmas or a rigid creed. The Ten Com-
 mandments in the Bible are regarded by all
 Jews as inspired affirmations of basic Jewish
 thought. Many Jews also accept the Thirteen
 Principles of Maimonides as a guide to faith.

The statement on the opposite side of this
 card therefore is not in any sense a creed. It is
 merely an attempt to view simply and concisely
 certain religious truths which all Jews believe.

Judaism is essentially a religion of deed. The
 Jew would say: "Actions speak louder than
 theories."

The one declaration which is universally
 recited by all religious Jews and which has be-
 come the rallying cry of Judaism is the Biblical
 verse: *Hear, O Israel, the Lord Our God, the
 Lord Is One.*
